Community Information Worksheet

Identify leaders and decision makers in your community who can help with Make Trax. Your community website and school website are good sources of information. Change or add questions that make sense for your community.

1. Who oversees your local (city, village, or township) government?

2. Name a few duties of this person, or group of people?

3. What is the name of your local police department and what is the name of the person in charge of the agency?

4. What is the name of the local government department that maintains the sidewalks and roads?

5. What is the name of the local government department that keeps a record of abandoned properties?

6. What is the name of the local government department that maintains street and sidewalk lighting?

7. Name a few other local government departments that help keep (walking) routes to school safe?

8. Does your community have a Planning Department? Does your community have a Master Plan?

9. What is the name of your school district Superintendent?

10. Name a few other important local government leaders.
