

# Safe Routes to School

## SECTION E: STUDENT TRAVEL TALLY RESULTS

According to the results from the student travel tally, over the course of a continuous three day period (Tuesday through Thursday):

	To School		From School
How many students walked?			
How many students bicycled?			
How many students took the bus?			
How many students were driven in their parent's car?			
How many students were driven in someone else's car?			
How many students traveled by some other mode?			

(Note: This information can be found on the Safe Routes to School Students Arrival and Departure Tally Sheets)
