2. School Enrollment Area

Describe any circumstances affecting the school's enrollment area (e.g. schools of choice, open enrollment policy, etc.) If there are no factors affecting the school enrollment area, please indicate so in the space below.

3. Bussing Distance Eligibility

Enter the school or school district's bussing distance eligibility and other factors as adopted by the school district's board of education. Indicate the radius of distance eligibility in miles. The bussing policy may be uploaded separately to the MDOT Grant System.

4. School Walking and Biking Policies

Enter the school or school district's policy regarding walking to school. If no such policy exists, please indicate so in the box below.

5. Enter the school or school district's policy regarding bicycling to school. If no such policy exists, please indicate so in the box below.

6. Does your school have crossing guards? If so, please denote the locations.
