# ACCOMPLISHMENTS

## MICHIGAN SAFE ROUTES TO SCHOOL

Awarded **\$1,965,000** SRTS **major grants** to **10 schools** across **three communities** for sidewalks, pathways, signals, signage, and programming.

Awarded **\$310,000** SRTS **mini grants** for programming at **39 schools** to educate and encourage students to walk and bike to school safely.

Launched **Walk and Wheel Wednesdays** as an alternative to Walk to School Day and Bike to School Day to learn about safe bicycling, walking and ways to connect as a family through physical activity during the pandemic.

Introduced local health officials to alternative transportation planning opportunities and SRTS best practices at the **Transportation Bonanza** conference.

Revised **6Es** framework to ensure engagement and equity are a part of all SRTS project planning and program development initiatives.
